How Do I Find My Reports?

Finding Reports on the AgencyWeb

Here is quick look at the Reports tab on the AgencyWeb.

Note that there are no changes to the format of the reports from prior fiscal years or for FY18 reports for the period July 2017 – February 2018. Changes begin with FY18 reports starting March 2018.

Use the Reporting Cross-Reference to locate your new reports.

Use the **Contact Us** link on the AgencyWeb Home Page to reach the Treasurer's Office for assistance finding your reports

In this **Legacy FY06 – FY18** folder, reports are found in the same folders, same report names as you're used to. The FY18 folder here covers reports from July 2017 through February 2018

In this **FY18** folder, there are new folders and new report names (some format differ as well). These report are the ones starting with March 2018.
