The Maricopa County Treasurer's Office is dedicated to reducing the cost of government while providing you, the customer, with easy, cost-effective, and convenient services. We have worked hard to make sure that you, the taxpayer, is our first concern. In order to save you, the taxpayer, money we are asking you to sign up for "eNotices" so we can send all of your notices and updates to you electronically. Please see enclosed eNotices flyer for instructions on how to set up your account access.
